**BOX PCT**Commissioner for Patents  
Washington, D.C. 20231

Sir:

**RECEIVED****04 MAY 2001****Legal Staff  
International Division****PETITION UNDER 37 C.F.R. § 1.181 AND M.P.E.P. § 710.06 TO RESET THE  
PERIOD FOR REPLY TO A NOTIFICATION OF MISSING REQUIREMENTS  
UNDER 35 U.S.C. § 371 DUE TO LATE RECEIPT OF THE NOTIFICATION**

Pursuant to 37 C.F.R. § 1.181 and M.P.E.P. § 710.06, Applicants hereby respectfully petition the Commissioner to reset the period for reply to the Notification of Missing Requirements Under 35 U.S.C. § 371, due to late receipt of the Notification. Applicant's reason in support of this petition is that the Notification of Missing Requirements Under 35 U.S.C. § 371, a copy of which is attached as Exhibit 1, is dated as having been mailed on October 24, 2000; however, to the best of our knowledge and belief it was not received at our correspondence address, which is printed correctly on the Notification, until February 12, 2001.

In support of this Petition, Applicants respectfully submit the following evidence for the Commissioner's consideration:

**RECEIVED  
FEB 27 2001  
Group 2100**

(1) Exhibit 1 is a copy of the Notification of Missing Requirements Under 35 U.S.C. § 371 dated as having been mailed from the PTO on October 24, 2000. The Commissioner's attention is respectfully drawn to the docketing stamp indicating that it arrived and was docketed in accordance with our usual Firm procedure on February 12, 2001.

(2) Exhibit 2 is a printout from our Firm's patent docketing system labeled "Actions Due." The Commissioner's attention is respectfully drawn to the segment labeled "Action Base Date," which indicates the date shown as the PTO mailing date of any correspondence received by our Firm from the PTO, and the segment labeled "Date Created," which indicates the date the item was entered into our Firm's docketing system. In this case, it is apparent that the Notification of Missing Requirements was dated as having been mailed from the PTO on October 24, 2000 (the "Action Base Date"); however, the Notification was not entered into our docketing system until February 12, 2001 (the "Date Created"). Because it is our longstanding Firm policy and practice to docket papers received from the PTO within one day of receipt, we submit this as evidence that the Notification did not arrive at our Firm until February 12, 2001.

(3) Exhibit 3 is a second printout from our Firm's patent docketing system labeled "Country Application." The Commissioner's attention is respectfully drawn to the segment labeled "Remarks," which further indicates that the Notification was received by our Firm on February 12, 2001.

(4) Exhibit 4 is a third printout of data from our Firm's patent docketing system indicating that we received, in good order, at least four (4) other missing parts notifications having a PTO mailing date (i.e., "Action Base Date") of October 24, 2000.

For the foregoing reasons, Applicants hereby respectfully petition the Commissioner to reset the period for reply to the Notification of Missing Requirements dated October 24, 2000, to run from February 12, 2001, which was the actual date of receipt of this paper at our Firm.

Please charge the requisite \$130.00 petition fee due under 37 C.F.R. § 1.17(h) to our Deposit Account No. 50-0310. The Commissioner is hereby authorized to charge any additional fees which may be necessary, or credit any overpayment, to our Deposit Account No. 50-0310.

Respectfully submitted,
